Lock and Key - Sarah Dessen man who would treat her like shit, she'd find him and be making nice before you could stop her, and I knew, because I had tried. But interacting with the majority of the population (cashiers, school administrators, bosses, ex-boyfriends) was not something she engaged in unless absolutely necessary, and then, with great reluctance. Key (lock) - Wikipedia A pin tumbler lock key is commonly found on homes. When held upright, as if to open a door, a series of grooves on either side of the key (the key's blade) limits the type of lock the key can slide into. As the key slides into the lock, the grooves on the blade of the key align with the wards in the keyway allowing or denying entry to the cylinder.
