I shall deal successively with these aspects of the effects of science on human life. First I shall recount its purely intellectual effect as a solvent of unfounded traditional beliefs, such as witchcraft. Impact of science on society | RG Impact Rankings Described is the History of Science as a flourishing branch of scholarly research and cultural life in Italy, with a growing impact on social demand for knowledge and intellectual participation. The relationship between History and Philosophy of Science is discussed. The Impact of Science on Society - B. Russell : B. Russell ... *The Impact of Science on Society - B. Russell Item Preview ...
